

APRIL 19
9 am - 11 am

THE FUTURE OF ENERGY

Join the Association of California Cities - Orange County and Southern California Edison to learn about the future of clean energy.

Visit SCE's Advance Technology Lab, hear firsthand from the scientists who work there, and participate in a discussion with SCE's Director of Innovation & Modernization, Erik Takayesu.

Members: \$ No charge

Non-members: \$ 35

For more information, contact Eric Joseph at ejoseph@accoc.org
